Please check the pack contents before attempting to assemble this product. A full checklist of components is given in this leaflet. If any components are missing, please contact the retailer from whom you bought this product.

This product is **HEAVY**, it should be assembled as near as possible to the point of use. **TAKE CARE WHEN LIFTING** to avoid personal injury and (or) damage to the product.

This product takes approximately **25 MINUTES** to assemble with **2 PEOPLE**.

The fittings pack contains **SMALL ITEMS** which should be **KEPT AWAY FROM YOUNG CHILDREN**.

Read this leaflet in full before commencing assembly.

PLEASE KEEP THESE INSTRUCTIONS FOR FUTURE REFERENCE

Fittings and parts checklist

Parts checklist		
1	Table top x1	
2	Leg frame x2	
3	Leg support rail x1	

Fitting checklist					
A	Wood dowel x6 Dia10x30mm		B	Bolt x8 M8x35mm	
C	Spring washer x8 M8		D	Flat washer x8 M8	
E	Wooden plug x4 Dia19mm		F	Allen key #4 x1	
G	Felt pad x4 Dia20mm				

Step by step assembly instructions

Step 1

With 2 people, locate the leg frames (part 2) and leg support rail (part 3) with wood dowel (part A) as shown below on a soft, flat surface near where the unit will be used. Then loosely join them with the bolt (part B), spring washer (part C), flat washer (part D) and allen key (part F).

Bolts should be slightly loose, fully tighten them at step 4.

Step by step assembly instructions

Step 2

With 2 people, carefully align the assembled leg frame base with 4x corresponding wood dowels and push down to top panel.

Step 3

Secure the legs using the flat head bolts (part B) with spring washer (part C), flat washer (part D) and allen key (part F).

Step by step assembly instructions

Step 4

Fully tighten all bolts (4x part B) in step 1 using the allen key (part F).

Step 5

Locate and insert the wooden plug (4x part E) into the holes as shown below.

Step by step assembly instructions

Step 6

With 2 people, carefully turn the product over and place in position. Do not drag the table when moving, must be lifted to prevent damaging the legs!

Ensure all bolts are fully tightened before use.

When using this product, we advise applying the felt pads (part G) to the bottom of the legs to prevent damage to the floor and the product.

Care and Maintenance

Wood furniture

- Wood displays different grain patterns depending on which way they cut - for example, the 'medullary rays' which can appear is a mark of good quality timber - these are just characteristics of the natural beauty of the wood. Some furniture is also deliberately aged and rustic.
- Wood veneers also allow distinctive patterns to be created on flat surfaces, such as table tops and drawer fronts by the way the slivers are arranged.
- All timber surfaces will change colour and mellow over time. New furniture will initially vary in shade from items that have been previously purchased.

How to care for your wood furniture

- Furniture with a hard lacquer, wax polish or painted surface should be dusted with a dry cloth.
- Spray polishes are best avoided as they contain silicones which may spoil the furniture's surface by building up over time.
- Make sure all surfaces are protected from heat and liquids by mats and coasters. Wipe up spills immediately and ensure that a mat or pad is placed under paper if you are writing.
- Our furniture will endure most temperatures in the home but it is best to avoid placing furniture next to heat sources such as radiators or fires. Be particularly careful with solid wood as the lack of humidity caused by central heating can cause damage such as warping.

Safety instructions

- Never drag furniture when moving it, always lift it.
- Do not sit or stand upon this product.
- Periodically check all fixings to ensure none have come loose and re-tighten where necessary.
- Please take care when handling or moving the furniture, careless handling may cause damage or injury.
- Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.
- It is recommended that before moving heavy objects to a new location they are completely dis-assembled to avoid personal injury or damage to the furniture. Please be careful to retain all fittings when doing this.

PLEASE READ!

This veneered product top has a natural open grain finish. Please read the care guide thoroughly. We recommend using mats and wiping up spilled liquids immediately. Avoid placing plant pots or vases with out waterproof mats to prolong the life of this product.

Experiencing problems with your new product?

Before calling customer service, please have your item's batch code ready.
